

# Vote YES to GDS!

## New Majority Mississauga

*April 8th, 2023*

# Wait, who are these kids again?

- We're a team of youth from Mississauga, passionate about bringing GDS to the city
- We started our campaign for GDS back in **2021**, and had our first deputation last year in March!

Us last year!

Us last year!

Buildings are the leading cause of emissions at **52%**.  
But GDS can change that!

## Why are we here?

- GDS is one of the most **powerful** climate policies a city can pass.
- Planned developments are being built to current standards, which are expensive long-term

We're not these guys  
(we're better!)

We've organized to make this happen!

Say hello to our team!

Look at these informed citizens!

- We agree that Mississauga **shouldn't fall behind** on its climate leadership in the GTA

- We agree that Mississauga **shouldn't fall behind** on its climate leadership in the GTA
- We need **concrete action** on climate in the city - literally.

- We want to live here!

↑ (We can't keep going to Toronto!)

- We both want to see more youth care about what happens in the city
- Young people should play a crucial part in the search for solutions and be present in a way that **doesn't just tick a box**
- We want to see Mississauga grow **affordably** and **sustainably**

Who's going to be VOTING in the upcoming mayoral election?

**We are just getting started.**

2024 is a big year for Mississauga, but  
**we don't want GDS to be cast aside.**

Voting for GDS shows that the city  
cares for **youth voices, climate** and  
**our future.**

**GDS IS A  
CLIMATE  
SOLUTION**

**VOTE FOR GDS!**
