#### Planning Act

Section 51 (24) of the *Planning Act* sets out the criteria for land division in the Province of Ontario. In evaluating such requests, the Committee needs to be satisfied that the proposal meets not only the criteria set out under Section 51(24), but also municipal requirements identify in local legislation.

#### Provincial Matters

Staff note there are no changes to the application from the previous Committee of Adjustment hearing on March 21st, 2024. Please note the comments from the previous report still apply and as such, staff are supportive of the proposed consent.

## Appendices

### Appendix 1 – Transportation and Works Comments

The Transportation and Works Department has no objections to the applicant's request where the intent is to create reciprocal easements between the subject properties.

The applicant has provided a Site Plan (Schedule B-1) which depicts 3 parcels identified as Parcel A, B and C. Parcel A is owned by The Canada Life Assurance Company (7070 Mississauga Road), Canada Life Assurance Company ((2050 & 2100 Derry Road) owns parcel B, and Parcel C is also owned by Canada Life Assurance Company (7025 Langer Drive). A Schedule B-2 along with a Master Site Plan has also been submitted depicting the key access roads and highlights the common parking areas.

A solicitor letter prepared by Daoust Vukovich LLP Barristers & Solicitors dated December 27, 2023, has been provided to describe the intent of the request. The solicitor letter indicates that the applications are necessary to obtain consent approval for various easements. The required easements have been described in the submitted Notice of Mutual Easement Agreement, which was registered on May 1, 2023, as Instrument No. PR4195324 (the "Easements").

The Mutual Easement Agreement is between Toronto West Professional Centre Inc. (the "Parcel A Owner") and The Canada Life Assurance Company (the "Parcel B & C Owner"). The mentioned Mutual Easement Agreement also includes a "Schedule A" which gives a legal description of the parcels, "Schedule B-1" depicting the Site Plan with the various parcels A, B & C and "Schedule B-2" which includes the Master Site Plan identifying the shared key access roads and common parking areas.

In view of the above, and should Committee see merit in the subject applications we have no objections or conditions with respect to the applicant's request.
