Staff comments concerning the applications for consent are as follows:

The applicant is proposing a lease greater than 21 years for a unit on the subject property. The Planning Act requires that leases of 21 years or greater receive consent from the municipality. Staff note that the proposed use conforms to both the official plan and zoning by-law. Through a detailed review, staff are of the opinion that the application is appropriate to be handled through the consent process. Further, the application raises no concerns of a planning nature.

Appendix 2 – Zoning Comments

Zoning has no objection to the Consent application provided that the severed and retained lands comply with the provisions of Zoning By-law 0225-2007, as amended, with respect to, among other things, minimum lot frontage, minimum lot area, setbacks to the existing building(s), on site parking, etc., or alternatively, that any minor variance(s) is approved, final and binding and/or the demolition of any existing building(s) is complete.

We further advise that the proposed lot frontage is to be calculated in accordance with the following definition:
