The following information outlines the purpose of the petition:

Purpose

At Bell Harbour Park, the baseball diamond and children's playground are situated in close proximity. Under windy conditions, baseballs frequently fly into the playground area. If a young child were to be struck by a baseball, it would be disastrous for both the child's family and the community. This presents a significant safety risk to the children, parents, and pedestrians at the playground. Immediate actions are required to ensure playground safety.

Asking Council For

We hope the City Council will either close the baseball diamond at the Bell Harbour Park or relocate the playground to a safe area.
