## **NOTICE OF MOTION – September 18, 2024**

### **Implementation of a City-wide Residential Driveway Windrow Snow Clearing Program (Winter 2025-26)**

WHEREAS the Council of the City of Mississauga has previously considered the implementation of a city-wide residential driveway windrow snow clearing program;

WHEREAS severe weather events have been occurring with increased frequency, causing significant hardship to residents across the city;

WHEREAS nearby municipalities, namely City of Richmond Hill, City of Vaughan, and City of Toronto – including the areas of Etobicoke, North York, and Scarborough – all currently offer city-wide residential driveway windrow snow clearing programs;

WHEREAS the City of Mississauga currently offers a limited Driveway Windrow Snow Clearing Program for seniors and people with physical disabilities, for which the demand has increased year over year;

WHEREAS Members of Council receive a substantial amount of winter maintenance related concerns and complaints from their constituents each year, including requests for Council consideration for a city-wide residential driveway windrow snow clearing program;

THEREFORE BE IT RESOLVED THAT:

1. The Council of the City of Mississauga implements a city-wide residential driveway windrow snow clearing program.
2. That Council, subject to the 2025 Budget, approves the associated Operating and Capital Budget increases associated with the program's implementation.
3. That the existing limited Driveway Windrow Snow Clearing Program for seniors and people with physical disabilities be concluded as a result of the implementation of a city-wide residential driveway windrow snow clearing program.
