The screenshot shows the Mississauga website's 'Events' page. At the top is a blue navigation bar with the Mississauga logo, a search bar, and menu items: 'Services and programs', 'Council', 'Our organization', 'Events and attractions', and 'Projects and strategies'. Below the navigation bar is a grey 'Events' section with the text: 'Discover how we're celebrating throughout the city, all year long. Enjoy 50th anniversary-themed events and experiences, from official events and openings to exhibitions; there is something for everyone!'. A horizontal line separates this from the 'September' section. Under 'September', there are two event cards. The first card is for 'SEP 18 Quiet Parade' at 12:00 p.m. at the University of Toronto Mississauga, with a red image of orange megaphones. The second card is for 'SEP 21 One Million Trees Planting Event at City View Park' at 10:00 a.m., with an image of a group of people planting a tree.
