To Whom it May Concern,

This is a letter explaining the details of an upcoming proposed events that will take place on December 14<sup>th</sup>, 2024 at Big Slick Bar and Billiards in Mississauga – 1965 Britannia Road West. The events we are planning are Industry Nights and will promote a fun, inclusive night for all those working in the restaurant industry. Our previous events held in May and June were a great success – with a lot of positive feedback and requests for another event.

Current regulations only allow for alcohol sales until 2:00am and most people working in the industry finish work around this time or shortly after – making it unlikely or impossible for them to attend our event. Since the events are designed to give back to all industry workers, we would like to provide a way for those having to work till 2:00am or later to attend. Giving our establishment a temporary extension of hours from 2:00am to 4:00am on this night will allow all industry workers to enjoy time together.

Our industry works hard and spends countless evenings away from their own family and friends to cater to the social needs of others. It would be an amazing opportunity to give back to them and be able to extend hours of operation on December 14<sup>th</sup>, 2024. This will allow us to use the premises for them to enjoy music, drinks, and food when they finish their late shift, with other industry workers alike.
