## Background

A phased condominium is a condominium that is developed in stages and keeps increasing in size until the project is complete.

A phased condominium development starts with the registration of the declaration and description creating the initial units and common elements of the condominium. Afterwards, further units and/or common elements are added to the condominium by the registration of amendments to the declaration and description.

1672736 Ontario Inc. (Dunpar) is the owner of a parcel of land described as part of 35 and 55 Lunar Crescent, Pt. Lot 4, Concession 5, WHS, Part 4, 43R-41475 which is being developed as a phased condominium (see Location Map, Appendix 1). 1672736 Ontario Inc. (Dunpar) has previously registered the third phase of its development as Peel Standard Condominium Plan (PSCP) 1141 and is now proceeding to register the fourth phase, as a phased condominium which when registered, will form part of PSCP 1141. This is the final phase of the subject Phased Condominium development.

## Comments

In accordance with the Condominium Act, 1988, and Ontario Regulation 48/01, the registration of any amendments to the declaration and description for the fourth phase of a condominium development cannot proceed without a Statement from the Municipality. This statement is required to confirm that the facilities and services associated with the next phase of development have been installed to ensure the independent operation of the condominium, or that sufficient securities have been posted to ensure the installation of services to ensure the independent operation of the condominium.

In regard to the fourth phase of the 1672736 Ontario Inc. (Dunpar) phased condominium development, the City has received adequate securities to guarantee the completion of the facilities and services required to support the fourth phase of the condominium development. As a result, staff is satisfied that the City can proceed with the signing of the Statement from the Municipality to be added to Schedule G of the condominium's declaration.

## Financial Impact

There are no financial impacts to the City associated with the approval of this report.

## Conclusion

1672736 Ontario Inc. (Dunpar) is ready to register the fourth phase of its phased condominium development under PSCP 1141. The City has received adequate securities to guarantee the completion of the services within the fourth phase of the phased condominium; therefore, the City may proceed with signing of the Statement from the Municipality.
