Dear Angie,

Thank you for sharing these documents and my apologies for missing the meeting due to a family commitment.

I have been reflecting on the opportunity to contribute to the Transit Advisory Committee based on its mandate and work plan and have made the decision to step down from the committee. I have enjoyed being a member, learning more about transit issues in Mississauga and how they are being addressed by the city and its constituents, and wish the committee leadership and members all the best as they continue to take on this challenging and important work.

Best,

Shauna
