The following information outlines the purpose of the petition:

Purpose

Over the last few years, as residents of Cedarglen Gate, we have seen an increase in the number of vehicles speeding on the street. Many children, including ours, cross the street without a dedicated pedestrian walkway or crossing to commute to and from school (in line with Student Transportation of Peel Region (STOPR) suggestion / expectation on transportation eligibility) which poses a high risk of accident.

Asking Council For

Installation of traffic calming measures to reduce the chance of accidents, namely:
- Pedestrian Crossover (PXO), Speed Bumps or Speed Cushions: To reduce speeding on Cedarglen Gate and allowing pedestrians to cross the street safely
- Improved Signage: Additional permanent pedestrian crossing signs and speed limit signs at key location

Subject of Petition

Traffic Calming Measures on Cedarglen Gate between Dundas St W and Parmeer Dr

We, the undersigned, hereby submit this petition for Council's consideration for the purpose of:

Preventing vehicle related accidents and ensuring residents' (including children and pets) safety. This is requested keeping in mind:

- Increased volume of fast moving and aggressive commuter/thoroughfare traffic
- Proximity of affected streets to schools (St. Martin SS and Hawthorn PS) and parks (Huron Park) that result in a higher concentration of pedestrian traffic including children and pets
- Curved road sections with street parking significantly compromising visibility
