To Whom it May Concern,

I am writing to provide details about an upcoming proposed event, Industry Night at Big Slick Bar, scheduled to take place on Friday, March 14th, 2025 from 10:00 PM to 4:00 AM at Big Slick Bar and Billiards, located at 1965 Britannia Road West, Mississauga. This event aims to create a fun and inclusive night for all individuals working in the restaurant industry.

Our previous Industry Night events, held in 2024, were highly successful, garnering positive feedback and numerous requests to host similar events in the future.

Currently, alcohol sales are permitted only until 2:00 AM, which poses a challenge for restaurant industry workers, many of whom finish their shifts around or after this time. As a result, attending events like this becomes difficult or impossible for them. To address this issue and ensure inclusivity, we are requesting a temporary extension of operating hours from 2:00 AM to 4:00 AM on this specific night.

This extension will enable industry workers, who dedicate countless evenings away from their families and friends to serve others, to come together and enjoy music, food, and drinks in a supportive and safe environment after their late shifts.

The proposed event will commence on March 14th at 9:00 PM and conclude on March 15th at 4:00 AM. Based on our previous events, we anticipate accommodating approximately 150 guests throughout the evening.

Thank you for considering our request to extend the hours of operation. We believe this event will provide a meaningful opportunity to give back to those who work tirelessly in the restaurant industry.

If you have any further questions, do not hesitate to contact Mikhail Gordeev at [REDACTED]

Warm Regards,

Aron MARION
Event Organizer
