Dear Mayor and Councillors:

Re: Request to Postpone consideration of the Integrity Commissioner's October 8, 2020 Report regarding Rick Mateljan

We are counsel to Mr. Mateljan, and have provided Council with written materials to be considered alongside the Integrity Commissioner's report. That report is currently scheduled to be considered at the October 28, 2020 Council meeting.

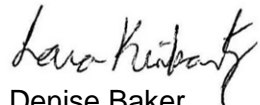

Since providing those written materials to Council, we have received information that strongly supports our belief that the complainant filed his complaint with the Integrity Commissioner solely to bolster the City's request for review of the LPAT's June 12, 2020 decision in the E.V. Royale matter. The City's request for review has not yet been disposed of by the LPAT.

Given the City's direct interest in the outcome of that request for review, it would be highly inappropriate for Council to make a determination on the Integrity Commissioner's report until the LPAT has disposed of the City's request for review. As a matter of basic fairness, we respectfully request that Council postpone its consideration of the Integrity Commissioner's report until after the LPAT has issued a decision on the City's request for review.

If Council refuses to postpone its consideration of this matter until after the disposition of the LPAT matter, it will be abundantly clear that Mr. Mateljan cannot hope to obtain a fair hearing with respect to the complaint that has been lodged against him. It would be unreasonable to expect him to continue to volunteer his valuable time and expertise to the Heritage Advisory Committee in those circumstances.

Yours truly,

WeirFoulds LLP
