 - 16,000 daily users in Mississauga at 132 schools
 - Closer to \$0.18 per student per day

Current Numbers and Funding in Mississauga

- 30% increase in Student Nutrition Programs in the past 5 years
- Waitlist that includes 9 Mississauga schools
- 1 in 4 children in Ontario lives in a household that is food insecure (ODPH)
- Unable to keep up with demand

City of Toronto and School Food Programs

- Over 25 Million committed for this school year
- More children at a greater number of schools will receive healthy food daily
- What can be done in Mississauga?
- \$1,000,000 investment for 10 years
- Pave the way for other Peel Communities to further support

City of Mississauga \$1M Commitment

- What does \$1,000,000 look like
 - No more waitlists in Mississauga
 - Over 500,000 additional meals
 - More staffing to support programs (currently 65 schools report to one Y staff)
 - Focus on Education, not on Hunger
 - Community benefits, increased potential in students
