Subject

City of Mississauga Campaign Contribution Rebate Program for 2022 Election

Recommendation

1. That the Corporate Report dated May 14, 2021 from the Director of Legislative Services and City Clerk titled City of Mississauga Campaign Contribution Rebate Program (rebate program) for 2022 Election be received.
2. That the Budget Committee provide direction to staff regarding the rebate formula to be used for the rebate program.
3. That a by-law be established to authorize the formula for the rebate program.
4. That, once a by-law is passed establishing the formula for the rebate program, the appropriate amount of funds be transferred from the Election Reserve 30135 into the Election Cost Centre 22450 to cover the cost of the rebate program going forward.

Background

In 2017, under the authority of section 88.11 of the Municipal Elections Act, 1996 (MEA), By-law 0067-2017 established the rebate program for the 2018 Municipal Election. The rebate program allowed eligible donators who contribute \$25 or more to receive a rebate of 25% percent of their contribution up to a total amount of \$150. Following the 2018 Municipal Election, \$35,700 in rebates was paid out.

At the January 28, 2020 Governance Committee meeting, Elections Administration staff submitted a Corporate Report from the Director of Legislative Services and City Clerk entitled City of Mississauga's 2022 Election Campaign Contribution Rebate Program (Appendix 1). The Governance Committee recommended that the rebate program be updated for the 2022 election to set \$100 as the minimum contribution eligible for a rebate and that a total of 50% of a contribution be eligible for a rebate, however staff were directed to report back on options related to the maximum rebate one contributor could receive. Governance Committee directed staff to report to General Committee on the financial impact of various rebate formulas associated with the rebate program.

At the September 9, 2020 General Committee meeting, staff submitted a Corporate Report from the Director of Legislative Services and City Clerk entitled Election Administration Information Report: City of Mississauga Campaign Contribution Rebate Program and Consolidated Statistics (Appendix 2). General Committee then requested that the rebate program be referred to a future Budget Committee for consideration.

Comments

Governance Committee proposed that the rebate program be changed for the 2022 election.

The preferred formula is as follows:

- Minimum rebate of \$100
- Eligible contributors would be entitled to a rebate of 50% of the total contribution
- The maximum rebate is yet to be determined

As per direction from Governance Committee, staff have applied the preferred rebate formula noted above, to maximum rebate amounts in increments of \$250 (below) to model the potential cost of the rebate program:

Rebate Program Cost Modelling*	
Maximum Rebate per Contributor	Total Rebate to be Paid Out**
\$500	\$86,625
\$750	\$94,230
\$1,000	\$96,168
\$1,250	\$97,017
\$1,500	\$97,192
\$1,750	Maximum rebate reached***
\$2,000	Maximum rebate reached
\$2,250	Maximum rebate reached
\$2,500	Maximum rebate reached

**Table updated from previous report presented at September 9, 2020 General Committee Meeting; Election Administration Information Report: City of Mississauga Campaign Contribution Rebate Program and Consolidated Statistics - Appendix 4: City of Mississauga Campaign Contribution Rebate Program Rebate Program Options*

***Based on eligible contributions received during the 2018 Municipal Election.*

****This cost modelling is based on the 2018 rebate program formula and eligible contributions received. Because the highest contribution eligible for a rebate in 2018 was \$2,850, there is no scenario where a contributor could receive more than \$1,425 in 2018.*

Financial Impact

The financial impact of changes to the rebate program is dependant on a variety of factors:

- The number of candidates that participate in the program during the 2022 election
- The number of contributions that are eligible for a rebate
- The amounts of the eligible contributions

With the above information in mind, and using the eligible campaign contribution numbers from 2018, staff estimate that changes to the rebate program may cost approximately \$100,000, dependant on the variable notes above.

Funds will be transferred from the Election Reserve 30135 into the Election Cost Centre 22450 to cover the cost of the rebate program going forward.

Conclusion

The rebate program was implemented for the 2018 election at a cost of \$35,700. It is estimated that with the proposed changes the cost of the rebate program may grow to approximately \$100,000 based on 2018 contributions. Staff are seeking direction on the rebate formula to be used for the 2022 Municipal Election. Once approved, staff will prepare a by-law to authorize implementation of the rebate program formula.

City of Mississauga's 2022 Election Campaign Contribution Rebate Program

Recommendation

1. That Governance Committee provide direction to the City Clerk on the following items related to the City of Mississauga's Election Campaign Contribution Rebate Program:
 - a. the percentage amount an eligible contributor can receive as a rebate on their contribution
 - b. the minimum campaign contribution eligible for a rebate; and

Report Highlights

- The City of Mississauga's Election Campaign Contribution Rebate program (rebate program) was established by By-law 0067-2017 (Appendix 1) and By-law 0063-2018 (Appendix 2) ahead of the 2018 Municipal Election.
- The current rebate program rules allow eligible contributors that contribute \$25 or more to receive a rebate of 25% percent of their contribution up to a total amount of \$150.
- The City Clerk is seeking direction on the rebate formula to be used for the rebate program for the 2022 Municipal Election.
- The City Clerk is responding to comments and suggestions received with respect to the administrative processes related to the rebate program.

Background

In 2017, under the authority of section 88.11 of the *Municipal Elections Act, 1996* (MEA), By-law 0067-2017 established the City of Mississauga's Campaign Contribution Rebate Program.

Candidate and contributor eligibility requirements and responsibilities are as follows:

- candidates had to:
 - be running for office of Ward Councillor or Mayor
 - enroll in the rebate program by completing a registration form
 - follow the campaign finance rules in the MEA
 - complete an Contribution Rebate Receipt for each contribution received that was eligible for a rebate
 - provide a copy of the receipt to the contributor
 - retain a copy of the receipt for their campaign records
 - provide a copy of the receipt to the Office of the City Clerk by the deadline noted on the receipt
- contributors had to:
 - be eligible to vote in the 2018 Mississauga Municipal Election
 - be a resident of the City of Mississauga
 - not be a candidate or the spouse or child of a candidate
 - follow the contribution rules in the MEA
 - sign the Contribution Rebate Receipt
 - request their rebate by submitting a copy of their receipt to the Office of the City Clerk in person, via post or via email by the deadline

Following the 2018 Municipal Election, approximately \$36,000 in rebates was paid out to contributors that met the requirements

The following statistics, comments and suggestions have been gathered through the 2018 Municipal Election Candidate Survey related to the rebate program:

No	67.57%	25 response total

Would you like the City of Mississauga to continue offering the Campaign Contribution Rebate Program?		
Yes	70.27%	26 response total
No	29.73%	11 response total

Comments and suggestions made by survey respondents included:

- eliminating the carbon copy receipts in favour of electronic receipts
- making the process easier

- making the rebates available through a federal or provincial income tax rebate

Staff took the above comments and suggestions into account when reviewing the rebate program rules and processes.

Rebate Formulas

Currently the City of Mississauga's rebate program allows rebates of 25% on campaign contributions of \$25 or more up to a total rebate of \$150. The following information has been gathered regarding the rebate formula used in other municipalities:

Municipality and Summary of Eligibility Rules	Minimum Contribution	Rebate Formula	Max. Rebate
Ajax -Limited to residents of the town of Ajax -Cannot be a candidate or the spouse or child of a candidate	\$20	75% of the total contribution	\$225

The following is the total amount municipalities paid out or, would pay out if the deadline for requesting a rebate had passed at the time this report was written:

Municipality	Amount <i>(numbers rounded)</i>
Mississauga	\$35,735
Ajax	\$20,000*
Markham	\$500,000
Oakville	\$100,000
Ottawa	\$100,000*
Toronto	Unavailable**
Vaughan	\$75,000
Whitby	\$7,800

**This number may increase as the deadline for requesting a rebate had not passed when the benchmarking was conducted.*

***2014 payout was \$4,000,000*

When comparing total payouts it's important to consider the impact of eligibility requirements related to residency on the total amount being paid. For example, formulas applied in municipalities where residents of the Province of Ontario are eligible for a rebate may result in a lower payout when applied in the City of Mississauga where the eligibility requirements are limited to residents of the municipality.

Staff are seeking direction from Governance Committee regarding the rebate formula that should be used going forward. The financial impact of the formulas is discussed in the Financial Impact section of this report.

Administrative Processes

As part of the rebate program review process and because of comments and suggestions received, the rebate program administrative procedures are being reviewed. Information related to other municipalities rebate program administrative processes is noted below:

Municipality	Receipt Type	Administrative Process for a Rebate to be Issued
Ajax	Carbon copy receipts	<ul style="list-style-type: none"> -Candidates provide a copy of the receipt to the contributor; and -Candidates retain a copy of the receipt for their records; and -Candidates provide a copy of the receipt to the Clerk's Office
Markham	Carbon copy receipts	<ul style="list-style-type: none"> -Candidates are required to provide a spreadsheet of their contributors when they file their Financial Statement and may be required to produce a copy of the contribution receipt; and -Candidates issue a carbon copy receipt to their contributors; and -Contributors apply for a rebate in person, via mail or via an electronic application receipt
Oakville	Carbon copy receipts	<ul style="list-style-type: none"> -Candidates keep a copy of the receipt; and -Candidates provide a copy of the receipt to the Clerk's Office; and -Candidates return any unused or voided receipts to the Clerk's Office; and -Contributors keep a copy of the receipt; and -Contributors provide a copy of the receipt to the Clerk's Office
Ottawa	Paper copies	<ul style="list-style-type: none"> -Candidates provide a paper copy of the rebate receipt to the Clerk's Office; and -Contributors provide a paper copy of the rebate receipt to the Clerk's Office; and -The two copies must match

Whitby	Paper form	<ul style="list-style-type: none"> -Candidates are provided with paper copies of the receipt form; and -Candidates submit all rebate forms to the Clerk’s Office

Based on the processes used in other municipalities and the feedback received about the City of Mississauga’s rebate program, staff are considering the following changes:

- eliminating the requirement that a contributor must apply for a rebate. This means only candidates would be required to submit the rebate receipt to the Elections Office although under section 88.22(1)(f) candidates would still be required to issue a contribution receipt to the contributor
- once a new Election information management system is procured, working with the vendor to potentially add an electronic rebate program receipts component
- if electronic receipts are possible, staff are considering the continued use of carbon copy receipts in addition to the electronic receipts, so that in instances where candidates need to issue a receipt and do not have access to a computer, they are still able to do so

Financial Impact

The financial impact that changes to the rebate program will have is dependent on a variety of factors. These factors include:

- the number of candidates that participate in the program during the 2022 election
- how many contributions participating candidates receive that are eligible for a rebate
- the amounts of the eligible contributions given to candidates

In the following chart, the rebate formulas used in other municipalities have been applied to the total number of contributions that were eligible for a rebate in the City of Mississauga. This is intended to provide an idea of the potential financial impact changing the rebate formula may have:

Municipality	Minimum Contribution	Formula Applied Based on City of Mississauga Eligibility Criteria	Rebates Payable when applied to the City of Mississauga
Ajax	\$20	75% of the total contribution To a maximum rebate of \$225	\$66,000
Markham	\$50	\$50 — \$300: 75% of contribution to a maximum contribution rebate of \$225 \$301 — \$550: \$225 plus 50% of the difference between the total contribution and \$300 to a maximum contribution rebate of \$350 \$551 — \$1,200: A \$350 contribution rebate is issued To a maximum rebate of \$350	\$90,000

----------------------	------------	---

Vaughan	\$50	75% of the total contribution to a maximum rebate of \$150	\$47,500
---------	------	--	----------

The final financial impact will be dependent on the rebate formula adopted and the factors noted above.

Conclusion

The Clerk is seeking direction regarding the rebate formula that should be used for the 2022 Municipal Election. Once the formula is approved by Council, the associated by law will be updated accordingly.

Election Administration Information Report: City of Mississauga Campaign Contribution Rebate Program and Consolidated Statistics

Recommendation

1. That the Corporate Report dated June 1, 2020 from the Director of Legislative Services and City Clerk titled *Election Administration Information Report: City of Mississauga Campaign Contribution Rebate Program and Consolidated Statistics* be received.
2. That Council provide direction to staff regarding the rebate formula to be used for the City of Mississauga's 2022 Election Campaign Contribution Rebate Program.
3. That a by-law be established to authorize the formula for the 2022 City of Mississauga Election Campaign Contribution Rebate Program.
4. That, once a by-law is passed establishing the formula for the City of Mississauga's Election Campaign Contribution Rebate Program, the appropriate amount of funds be transferred into the Election Cost Centre to cover the cost of the City of Mississauga's Election Campaign Contribution Rebate Program going forward.

Report Highlights

- At the January 28, 2020 Governance Committee meeting, the committee requested that staff report to General Committee on the following topics:
 - The financial impact of a new formula for the City of Mississauga's Election Campaign Contribution Rebate Program
 - Statistics related to municipal elections in the Greater Toronto Area and beyond

Background

At the January 28, 2020 Governance Committee meeting, Elections Administration staff submitted three Corporate Reports from the Director of Legislative Services and City Clerk. The first; dated January 13, 2020, was titled *Ranked Ballot Elections – Review of the City of London’s Experience* (Appendix 1) the second; dated January 13, 2020 was titled *2018 City of Mississauga Municipal Election Information Overview* (Appendix 2) and the third; also dated January 13, 2020 was titled *City of Mississauga’s 2022 Election Campaign Contribution Rebate Program*.

At the meeting, Governance Committee directed staff to report back to General Committee on the following three topics:

- Information related to Ranked Choice Voting (RCV). This information is included in the Corporate Report dated May 1, 2020, titled *Election Administration Information Report: Ranked Choice Voting*
- The financial impact of various rebate formulas associated with the City of Mississauga Election Campaign Finance Rebate Program (rebate program)
- Consolidated statistics related to municipal elections

A separate report has been prepared for Ranked Choice Voting and is included on the July 8, 2020 Council agenda.

Appendix 4 provides detailed information on potential rebate program formulas and Appendix 5 provides consolidated municipal election statistics.

Comments

City of Mississauga’s Election Campaign Contribution Rebate Program

Governance Committee recommended that the rebate program be updated for the 2022 election to set \$100 as the minimum contribution eligible for a rebate and that a total of 50% of a contribution be eligible for a rebate, however staff were directed to report back on options related to the maximum rebate one contributor could receive. Appendix 4 of this report provides options for the maximums rebate allowable based on the above noted criteria. Once approved, staff will prepare a by-law to authorize implementation of the rebate program formula.

Consolidated Statistics

At the January 28, 2020 Governance Committee meeting, the committee directed staff to consolidate various statistics found in Corporate Report dated January 13, 2020 from the Director of Legislative Services and City Clerk titled *City of Mississauga Municipal Election Information Overview*. Appendix 5 expands the information originally provided in the January 13, 2020 report.

Financial Impact

The Financial impact of the rebate program is included in Appendix 4 of this report. With the information shown in Appendix 4 in mind, and using the eligible campaign contribution numbers from 2018, staff estimate that changes to the rebate program may cost approximately \$100,000. Once a by-law is passed establishing the formula for the rebate program, approximately \$100,000 will need to be added to the Election Cost Centre (715885-22450) to cover the cost.

Conclusion

The election campaign contribution rebate program was implemented for the 2018 election at a cost of \$35,700. Based on Council's direction to review the option of increasing the amount of possible rebates, it is estimated that with a maximum rebate of \$1500 per contributor the cost of the rebate program would grow to approximately \$100,000 based on 2018 contributions. Staff are seeking direction on the rebate formula to be used for 2022 Municipal Election.
