Executive Summary

- Under section 88.34 of the *Municipal Elections Act, 1996*, as amended (MEA), the Clerk of a municipality is required to review the Financial Statement – Auditor's Report Candidate – Form 4s (financial statement) submitted by candidates to identify contributors that appear to have contravened the contribution limits in the MEA.
- The Clerk is required to report the apparent contraventions to the Election Campaign Finances Committee (ECFC).
- This report provides findings related to an apparent contravention identified by the City Clerk.

Background

The MEA directs municipal Clerks to review the financial statements submitted by candidates following an election to determine whether any contributor appears to have exceeded the contribution limits. Section 88.9 (1) of the MEA states:

A contributor shall not make contributions exceeding a total of \$1,200 to any one candidate in an election.

Section 88.9 (4) of the MEA states:

A contributor shall not make contributions exceeding a total of \$5,000 to two or more candidates for office on the same council or local board.

The Clerk does not have discretion over what is reported to ECFC. Any single contribution over \$1,200 and combined contributions over \$5,000 must be reported in accordance with the MEA.
