[CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.]

Hello Angie,

Below is a summary table outlining the reasons for over-contributions from various contributors to the 2024 Mayoral By-election campaign. This information is intended to provide clarity for the Legislative and Election Campaign Finances Committee's review.

We have communicated with each contributor and provided them with guidance on submitting documentation to address these minor discrepancies. Our explanations have already been forwarded to the committee, and we are confident they will be sufficient to resolve these issues.

If you require additional information or clarification, please let me know.

Thank you,
Carolyn
