8. PUBLIC QUESTION PERIOD - 15 Minute Limit

Councillor S. Dasko recited the Public Question Period procedure guidelines pursuant to the Council Procedure By-Law 0044-2022.

Councillor S. Dasko, read the question submitted by Brandon Wiedemann, Resident regarding the availability of automated technology to enforce excessively noisy vehicles.

Responding the question, Max Gill, Supervisor, Road Safety noted that Camera technology which can be used by a municipality for the purpose of enforcing traffic offences is limited. M. Gill further noted that the ability for a municipality to operate an automated enforcement camera program is granted under the Highway Traffic Act (HTA) which is Provincial legislation. The HTA limits the use of camera-based enforcement to 4 specific offences:

- running a red light
- speeding
- passing of a stopped school bus
- passing of a stopped streetcar

M. Gill stated that municipally operated cameras for enforcing other Highway Traffic Act violations, such as vehicle noise, are not currently permitted.

9. CONSENT AGENDA

No items were approved under the Consent Agenda.

10. MATTERS TO BE CONSIDERED

10.1 Road Watch Program Updates, Cst. Claudia D'Amico, Peel Regional Police (Verbal)

Cst. Claudia D'Amico, Peel Regional Police stated that a total of 3,307 Road Watch letters were received for the entire Peel Region in 2024, while 367 letters were received in January and February 2025.

10.2 E.R.A.S.E. Program and Project Noisemaker Updates, Cst. Claudia D'Amico, Peel Regional Police (Verbal)

Cst. Claudia D'Amico, Peel Regional Police indicated that, with the warmer season approaching, street racing activities are expected to rise. The Peel Regional Police have been in discussions with the City of Mississauga and Brampton's By-Laws and Traffic Safety departments to address and manage these issues. They also plan to collaborate on a pilot program aimed at reducing street racing.

Councillor Reid inquired about potential objections to the use of automated technology for enforcing excessively noisy vehicles. Cst. D'Amico responded that there should be no resistance to the technology.

Cst. D'Amico further noted that while the Noisemaker initiative is typically associated with the summer months, noise-related issues occur year-round, and as such, the initiative will be implemented throughout the entire year.

Cst. D'Amico responding to questions from Sunil Sharma and Robert Fluney, Citizen Members, explained that the determination of a noisy vehicle is based on the officer's experience and discretion. She also clarified that loud car exhausts and music are classified as unnecessary noisemaking.

RECOMMENDATION RSC-0005-2025

Moved By David King

That the E.R.A.S.E. Program and Project Noisemaker Updates by Cst. Claudia D'Amico, Peel Regional Police, be received for information.
