## Secondary Enrolment (Full-Time Equivalent)

As of October 15, 2020, the PDSB had 41,705 secondary students. The Board has recovered the majority of students that had not appeared in school by September 21, 2020. This represents a growth of 2,091 students (+5.28%) since September when staff reported 39,614 students. The delayed start and staggered entry to this school year appears to have caused a delay in the arrival and verification of students in the Student Information System. From September 2019 to October 2020 the Board has experienced a secondary enrolment growth of 279 students or +0.67%.
