

MiWay's Digital Screens

Presented to the Accessibility Advisory Committee
April 13, 2026

Service
Development

MiWay digital screens

- Digital screens are an important communication and customer support tool
- MiWay is updating the look of the existing digital screen content at:
 - City Centre Transit Terminal
 - Kipling
 - Westwood

Current screen design: Kipling Bus Terminal

Current screen design

17 N HURONTARIO				D	6 Min

Design approach

- Started from an accessibility first design perspective
- Incorporated recommendations from the wayfinding study for consistency and accessibility
- Consulted with the City's Accessibility Team for best practices, guidance and recommendations

Proposed digital screen design

Port Credit
October 23 3:32 pm
