Dear Mississauga City Clerk,

I'm a Mississauga Lime rider and I'm writing because e-scooters are important to me.

I commute very frequently throughout Mississauga and MiWay busses are not enough at times for short distances due to timing and schedules. Lime e-scooters have bridged this issue by being a safe, fast and sustainable way to traverse the city (for small distances) which has made getting around places so much easier.

The roads have designated spots already for bikes in place, thus, it feels safe for me to ride. Further, in the summer, it's a great way to have a nice stroll around the city, grab food, and enjoy the weather.

I request you to please not take this away, as it is one thing which is crucial and instead needs to be invested upon (rather than disinvest).

Thank you for your time and consideration.

Sincerely,
Kirti Nathani
