Dear Mississauga City Clerk,

I'm a Mississauga Lime rider and I'm writing because e-scooters are important to me.

I have used Lime and other similar services in other cities and I sincerely believe that having alternative modes of transportation is imperative in reducing gridlock in a city that already is packed with cars. Seeing as how public transportation seems to go nowhere year after year then why should we abolish other alternatives. I believe that there can be proper and safe implementation of Lime.

Sincerely,  
Andres Abuhadba Rodriguez
