

Meadowvale Village Heritage Conservation District Review Committee

January 7, 2021

Heritage Advisory Committee
City of Mississauga,
300 City Centre Drive
Mississauga, ON L5M 3C1

Attention: Councillor Carlson, Chair

Dear Councillor Carlson:

Re: Request to alter 6970 Second Line West, Meadowvale Village

This Committee met by video and Telephone conference on January 5/21 to review and discuss the memorandum from John Dunlop, Manager of Heritage Planning, to replicate and install a Belfry and complete described restoration work on the Community Hall in the Meadowvale Village Heritage Conservation District at the above address.

This Committee recommends approval of the Plans outlined in the report and further recommends that flowers, mulch or other water retaining elements no longer be planted around the immediate perimeter of the building to prevent water damage to the exterior of the building which has been the case in the past. Planting in other areas within the envelope, ie the large flower bed in front of the building is encouraged using species compatible with the Historical Nature of the site. Possibly City Parks Department could provide a plan setting out the types of flowers, etc. they plan to implement in the spring

Thank you for the opportunity to comment on this important project.

Regards

MEADOWVALE HERITAGE CONSERVATION DISTRICT ADVISORY SUBCOMMITTEE

James Holmes, Chair
CC Meghan Piercey
