Subject of Petition: Voice against further development proposals in Meadowvale Village

We, the undersigned, hereby submit this petition for Council's consideration for the purpose of:
Review of existing Traffic issues, safety and Environmental issues impacting our community as a
result of unplanned development in the Meadowvale Village.

Residents of Sombrero Way and feeder streets in Meadowvale Village are victims of poor planning on
part of the city.

Existing issues have continuously been sidelined over the years leading to the present day crisis.

We do not support any further development in Meadowvale Village, which is not sustainable with the
existing road infrastructure, essential services including schools which are stretched to their
maximum, increase in density of population has resulted in increase in Thefts, Break-ins and
vandalism. Police presence is extremely delayed in times of need and first responders are already
overstretched.

And all of this at the cost of the last surviving green space which is in total contradiction to the City'
plan of Million Trees Mississauga.

Please leave the last remaining Meadows in Meadowvale Village and let the community Breathe.
